April 2009

Aqua Springs has been supplying pond and lake owners quality sport fish and aquaculture supplies for over thirty-one years.. Within the flyer are the some of the more popular items requested by our customers but are not all the items that we handle. If you haven't found an item that you need, don't hesitate in asking us about your requirements. For more detailed information and other items that are available, please visit our web site: www.aquaspringsinfo.com

TO ALL CUSTOMERS:

Unfortunately, fuel cost, commodity markets, regulations continue to drive up the costs of business and we are trying to hold the line as much as possible, but some items had to increased. We will try to hold printed pricing for the remainder of the year.

Due to delivery schedules, we are not always at the farm, please call ahead for the best time to come to the farm. If you should get the answering machine, please leave your name, (area code) telephone number and best time to return your call.

Delivery: Customers may either pickup or have their fish delivered by our trucks.

Farm Pickup: We will package your fish in plastic bags w/water and oxygen for transport, 5 gallon pails are handy for this type of transport. **Larger fish (>8") or orders greater than 10 bags - we recommend truck transportation.**

Truck: We will transport in our trucks at a rate of:

\$1.75 per loaded mile

Minimum Charge: **\$65.00**

Minimum Order for delivery is: **\$300.00**

Products are subject to MI 6% Sales Tax

Payment: Cash, Check or Money Order

**FISH ARE GUARANTEED TO BE IN GOOD
CONDITION UPON DELIVERY**
